rev. 9/26

We have a list of possible activities for evenings scheduled with families, including a miniature golf, go-karts, and laser tag. These optional events could be coordinated by the students who desired to participate, with our help, if necessary.

The cost for Cedar Point, Hale Farm, and Rock 'n' Roll Hall of Fame should be around \$65.00 per person in total. The optional events may be another \$30 or so per person, depending upon how many extra things they decide to do.
