Pertinent health facts about the applicant that the host family should be aware of:
(Allergies, medications, physical handicaps, etc.)

I, (parent, guardian) _____ agree to host as needed a student for approximately two weeks with the understanding that my child may be similarly hosted.

I give permission to the coordinators of both schools and my child's hosting parents to act "in loco parentis" if my child needs immediate medical attention, and I cannot be reached by phone.

If my child were to have problems adjusting to his/her partner or host family, I understand that the school coordinators would place him/her in a more compatible family. If, however, my child breaks the law (stealing, drugs, etc.) or becomes a discipline problem in the school or host's home, and the coordinators determine that he/she should be sent home immediately, I understand that I might have to pay a penalty for rescheduling the return flight.
