

Thank you to everyone who auditioned! We were very impressed with the talent and charisma that so many of you brought to your auditions! Below you will find the complete cast list. Please be sure to read through the whole list. Many names appear in more than one spot. There are additional lines and solo parts that will be handed out in rehearsal as well.

Our first rehearsal is TOMORROW! That is Monday January 25 from 3:30-5:30. Please plan to attend this rehearsal. Thanks and congratulations!
