

# JUMPSTART PARENT / LEADER APPLICATION 2009

We appreciate your interest in assisting with the JUMPSTART adventure this fall. Your responsibility would be as a cabin chaperone for a group of about 7-9 students. You would have 2 high school students in the cabin with you. These older students have been selected by their teachers as students who are of strong character with good leadership skills.

Because there are frequently many more parents who would like to attend than we have need, you will want to print, fill out, and return this application and the pastoral reference as soon as possible (no later than July 15) with your student's forms which you received in the mail. If you are interested in assisting with various preparations for the trip, please contact Janet Weaver by e-mail to [jweaver@cvcaroyals.org](mailto:jweaver@cvcaroyals.org).

*FYI--CVCA has a policy that chaperones for student events such as JUMPSTART must be fingerprinted--this will need to take place in mid July, if possible.*

What interests you about this opportunity?

Do you have a personal relationship with Christ? Briefly share your testimony.

Have you had experience with kids in an overnight camp setting?

What additional experience have you had working with children of junior-high age?

Does your child have any particular needs for which you feel your attendance at camp would be needed?

As this is a time when we encourage students to move out of their "comfort zone", we have found it helpful if a child is not placed into the same cabin as his/her parent. Are you comfortable with this arrangement?

Does your child know you are considering being a cabin leader at JUMPSTART and how does your child feel about that?

Would you be able to attend a mandatory meeting for adult leaders on Wednesday afternoon, August 19th from about 1:00 - 2:30, following the new student orientation meeting?

Any additional comments??

Thank you for your willingness to serve with us!!
