Things you may not know Google will do:

Your Need	Type in search bar
1. Find local time anywhere.	what time is it hong kong
2. Convert currency, metrics, etc.	10 US dollars in Australian money
3. Compare items or find similar	“better than chocolate “ “ reminds me of Metallica “
4. Add ~ to your search term to get related terms	~nutrition will also give food/health in the record
5. ID people, objects and foreign language phrases with Google Image Search	Google Image Search or type: image jicama in the regular search box for fruit pics.
6. Convert units	kg in pounds acre in square feet
7. Find synonym keywords	~ tutorial will also give you hits on guide, manual, reference etc
8. OR will find hits with the words to either side of the OR	bash examples OR programs will find bash examples or bash prog.
9. Definitions	define: <tech savvy>
10. Weather	weather cleveland
11. If you want your hits to have both words	smoke AND fire
12. Search for either term	smoke OR fire
13. If you want an exact phrase	“there’s no smoke without fire”
14. Exclude hits	new stroller ~ebay will find strollers not on ebay
15. Google doesn’t recognize certain stop words like and, for, then, I	use +and if you want the stop word included in your search.

Use Google’s Buttons

1. Web, image, video, maps, news, shopping	Type your terms in the search bar then click on one of the top buttons to find hits in those areas. It will default to the Web.
2. More: groups	Groups– Google’s usenet groups are not well maintained and receives high amounts of spam.
3. More: books	find books on your search term.
4. More: scholar	Find titles and abstracts from scholarly journals.
5. More: blogs or you tube	Find blogs or videos on your topic
6. More: calendar	Share calendar with friends, set up email or text message reminders.
7. More: photos	Picasa software helps you organize, edit and share your photos free download and easy to use.
8. More: documents	Upload from and save to your desktop. Control who has access. Store securely online.
9. More: Reader	Google checks your favorite news sites for new content.
10. More: Sites	Create your own website
