

# Teacher Supply Lists 2009-10

## 7<sup>th</sup> Grade and Junior High Electives

*To assist 7<sup>th</sup> grade students with organizational skills, teachers have been very intentional in indicating certain colors and sizes of binders, as well as other materials. For your convenience, CVCA's Future Business Leaders of America (FBLA) has been willing to order and sort the items marked with an \*\*\* so that they may be purchased together in a ready-made bag available beginning on Orientation Day, August 19. Also, buying in bulk will give better pricing. This bag will also include a planner which is to be used throughout the year during 7<sup>th</sup> grade. Most other supplies on the list will also be available for purchase or through the school store, but will not be included in the supply bag.*

### **Bible 7 Mr. Zach Churchill, Mrs. Eileen Hoffman**

## **Additional information: Pre-Algebra 1 and Pre-Algebra 7**

It is my recommendation that students do not purchase black binders for use in other classes. This way they can easily remember that the black binder goes to math. They can quickly grab the binder from their locker, confident that they have the correct binder.

\*Students are required to purchase two different sized binders to aid in organization. The ½” binder will be used on a daily basis and contain the current unit’s notes, homework, quizzes and other essential papers. This is the binder that will travel between school and home on a daily basis. After each test, the ½” binder will be emptied into the 3” binder which will be stored in the math classroom. The purpose of the system is two-fold. The first purpose is to aid the students in maintaining organization of all notes and assignments. Students will have access to their notes on a daily basis as they will be safely stored in the classroom. The second purpose is to reduce the size of binder students are carrying around.

## 8<sup>th</sup> Grade and Junior High Electives

### Bible 8 Mr. Van Misheff

NIV Bible—we do a lot of Scripture memory work all together in class  
college ruled paper  
blunt scissors  
glue stick or rubber cement  
small box of colored pencils  
1 folder with pockets. (Mead “Five-Star, 4 pocket portfolio” is good.)  
1 spiral-bound notebook, 9 1/2 x 6 3/4. (The ones with a vinyl cover last longest.)  
3-ring binder with pockets

### English 8 Mrs. Cindy Holmes Mrs. April Rutkowski

1” 3-ring binder – NAVY BLUE to be used ONLY for 8<sup>th</sup> Grade English  
Wide-ruled notebook paper (loose-leaf paper, NO SPIRAL – NO COLLEGE-RULED)  
Set of 5 notebook dividers  
Blue or black pens  
Green pens - 2  
#2 Pencils (mechanical pencils work best)  
Highlighter  
2-pocket folder  
Large box of tissue  
1-Student Daily Planner (may be purchased independently or from CVCA Book Store)

### History 8 Mr. Jordan Samsonas

Students’ history material can share a binder with that of another class. If not, they need a 3-ringed binder with pockets. The binder needs to have a section for notes, and dividers to separate the units.

### Pre-Algebra, Part 2 Mrs. L. Cowley

3-ring binder *with dividers*  
basic calculator  
protractor  
brown paper bag for book cover

### Algebra I (not yet posted)

### Science 8 Mr. Ed Arida

1”, 3-ring notebook  
Notebook Dividers (7 - 1st semester; 8 - 2nd semester  
(1st semester dividers may be reused 2nd semester)  
30cm metric ruler  
General supplies (paper, pencil, pencil/pen eraser, pen (any color)  
White-out for tests  
A good drawing compass (Plate Tectonics unit – for the earthquake epicenter lab).  
I recommend the “Bow Compass”, carried at Discount Drug Mart. It is under \$3, and will perform well (and last) if taken care of.  
2nd semester Science Project / Science Fair. Costs vary, but may range from \$5 to \$25.  
Calculator (optional)
