

Prospective CVCA Parents TRIP Registration Disclosure

As a prospective parent of CVCA, we would like make available to you participation in the TRIP program at CVCA. As you know, TRIP is a program whereby you purchase certificates at a discount to be used at local stores and merchants. The discount percentage is then credited to your TRIP account at a rate of 75% and to the school's general fund and operating costs for the remaining 25%. We then transfer the accumulated credits each May and December from your TRIP account directly to your tuition account at CVCA.

As a prospective parent, you do not yet have a tuition account at CVCA. Therefore, your credits would simply accumulate until your child entered the school. Once your child entered the school, your credits would be transferred on the first regularly scheduled transfer date, either May or December. **If for some reason your child does not attend CVCA, your accumulated credits would simply be transferred to the CVCA Student Assistance Fund. At no time would you receive cash out of your TRIP account if you were unable to use the credits to offset your tuition.**

To participate in the program, you simply need to do the following:

1. Sign and return this form to the school business office indicating that you understand the procedure for handling tuition credits for prospective parents.
2. Sign and return the registration form to the TRIP BOX in the Main Office.
3. You may now place your first order and you will receive an account number from the TRIP program administrators with your first order.

Thank you. If you have any questions, please feel free to contact either Laurel Bowers (330-467-0986) or Lynelle Cook (330-963-6802).
