# AP Program

## Requirements:

3.0 overall GPA and at least a B- in any prerequisite coursework to register for an AP course

*Appeal forms are available in the Guidance Office*

## Cost:

Each AP exam costs \$93, due by check to CVCA in February.

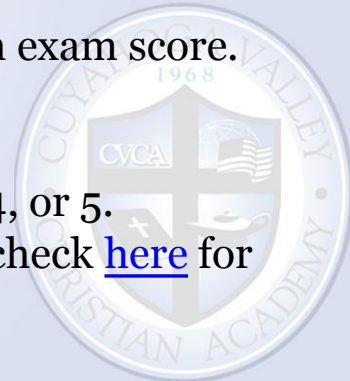

## Additional Information:

Students take the AP exam in May. College credit awarded based on exam score.

Students receive a score on a scale of 1-5.

Most colleges and universities award college credit for a score of 3, 4, or 5.

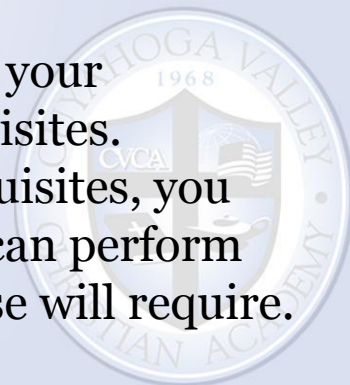

However, students should check with their individual university or check [here](#) for information about AP credit policy.

# AP Program

*Next Steps to take AP Courses:*

1. Log into your [Score Report](#) from College Board to research their suggestions of AP courses that would fit your interests and abilities through **AP Potential**. These are based on your PSAT 8/9 or PSAT/NMSQT scores.
2. Talk with your guidance counselor about which AP courses would interest you.
3. Register for an AP course with your guidance counselor if your cumulative GPA is 3.0 or above and you meet the prerequisites.
4. If you do not have a GPA of 3.0 or do not meet the prerequisites, you may appeal for an AP course if you feel strongly that you can perform well in it and are ready for the commitment that the course will require.

# College Level Examination Program (CLEP)

CLEP offers 33 college level exams that are accepted by more than 2,900 universities and colleges for credit in a wide variety of academic disciplines.

***Each college and university sets its own policies regarding whether it accepts a specific CLEP exam for credit, what credit it grants for a specific CLEP test, and what score is required to receive that credit. Please check with your desired institution.***

# College Credit Plus (CCP)

## **A Guide to College Credit Plus for Students & Families**

Ohio's new College Credit Plus can help you earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a college course from a public college or university is free. That means no cost for tuition, books, or fees. If you choose to attend a private college or university, you may have limited costs.

From [www.ohiohighered.org/ccp](http://www.ohiohighered.org/ccp)

**CVCA students** can choose to attend any college in Ohio that offers a course that would benefit your future. This could include **college campus courses** taken face-to-face on the college campus, **online courses**, or **dual credit courses** offered at CVCA.

# **College Credit Plus (CCP)**

## **College Credit Courses offered at CVCA**

Assuming sufficient enrollment, CVCA will likely be offering several dual credit courses on campus for the 2017-18 school year through Malone University:

**College Writing (Eng 145)**

**Introduction to Creative Writing (Eng 231)**

**College Algebra**

**Medical Anatomy & Physiology\* (Bio 131 and Bio 132)**

*\*Open only to students in the School of Medical Professions*

# **College Credit Plus (CCP)**

## **Online College Courses**

Students may find an online college course from any Ohio university.

In particular, CVCA has a working partnership with Cedarville's online college course program.

Find more info here: [www.cedarville.edu/Academics/College-Now](http://www.cedarville.edu/Academics/College-Now)

Students will be assigned a study hall on their CVCA class schedule and will not leave the CVCA campus to work on their online college course.

# College Credit Plus (CCP)

## College Campus Courses

Students may find a college course from any Ohio university within driving distance of CVCA.

*Options include (but are not limited to):*

Cuyahoga Community College

Kent State University

Kent State University's regional campuses

Malone University

University of Akron

# **College Credit Plus (CCP)**
