

course description

Graphic Design II

1/2 Credit - First Semester

Prerequisite: Graphic Design I

Students will further their knowledge and skills of basic design principles and typography while producing more advanced projects. Students explore multi-page, package design and corporate identity. Time will be spent producing and submitting portfolios for college admission and participate in the Annual Portfolio Show in May.

project description

ADVANCED TYPOGRAPHY - QUADRANT_P2

Students will gain an appreciation of individual letterforms by deconstructing typography. Application - poster.
