Tuesday, April 10, 2018	Free SAT for CVCA Juniors	Given at CVCA during school
May 5, 2018	April 6, 2018	April 25, 2018
June 2, 2018	May 3, 2018	May 23, 2018

## FAQs about ACT and SAT

### 1. When should I take the ACT or SAT?

Begin taking the ACT and SAT during junior year (or end of sophomore year). Each student should take both the SAT and ACT during the first semester of the junior year. After taking both tests, a student may focus on improving their score on the test with which they feel most comfortable. Students can continue to take the ACT and SAT throughout the junior year and the fall of senior year to improve their score.

Suggested Timeline for taking ACT/SAT:

- Take both your first ACT and SAT **during fall of your junior year** (or end of sophomore year).
- **Decide which test you did better on or that you want to focus on.**
- Take your second ACT or SAT **during spring of your junior year.**
- Take your third ACT or SAT **during summer/fall of your senior year. Watch college application/scholarship deadlines.**

When registering, list colleges of interest so that your scores will be sent directly to the schools. You may send scores later for an additional fee.

**Be sure to take the ACT and SAT in plenty of time for college application/scholarship deadlines.** The most common Early Action deadline is November 1 and Regular Decision deadline is January 1 of your senior year.

### 2. Which test should I take?

While there is commonality in material on the two tests, the SAT and ACT assess students differently for college readiness, and many students do better on one than the other.

**At CVCA, we require each junior to take both the ACT and SAT** to determine which test they will perform better on, and therefore maximize opportunity for the highest score. Students will take one SAT test in the spring of the junior year during a school day at CVCA (test fee will be covered).

All colleges will accept scores from both tests and do not prefer one test over the other.

Increasing your score improves college acceptances and scholarship potential.

See [www.testpreppauthority.com/guides/act-vs-sat/](http://www.testpreppauthority.com/guides/act-vs-sat/) to learn more about comparing the two tests.
