

SCHOOL OF MINISTRY

OUR MISSION: Expose students to Ministry fields through curricular enhancement, mentoring relationships, and educational experiences - providing insight to His calling in their lives.

THE PROGRAM

CVCA's School of Ministry (SOM) program is a two-year curriculum designed to disciple and train high school students in various areas of vocational ministry. The curriculum trains students in ministry disciplines and exposes students to areas of ministry interests through guest lecturers, Jterm, and mentoring/internships from various leaders in vocational ministry.

THE APPLICATION PROCESS

Students must apply for acceptance into the School of Ministry at the end of their sophomore year.

1. Fill out SOM Application with teacher recommendations, then sign up for an interview in the Student Ministries Office.
2. Once accepted to the SOM, schedule classes with the Guidance Office.

REQUIREMENTS

All School of Ministry students are required to take a Bible elective during three out of the four semesters of their junior and senior years. The course "Practical Christian Ministries" is required. The other courses are selected from the following offerings:

Practical Christian Ministries (0.5 credit) Fall Senior Year

Required for all seniors, this one semester practical course covers various ministry topics designed to prepare them for a life of ministry leadership.

Biblical Greek (1 credit)

Strongly recommended, but not required, this year-long course is a study of the basic elements of New Testament Greek.

Biblical Prophecy (0.5 credit)

This is a verse-by-verse study of the book of Revelation.

Church History (0.5 credit)

Church History enables students to understand the development of both the theology and practices of the Church of Jesus Christ.

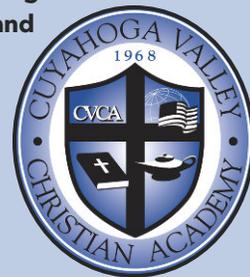

Worship Leadership (1 credit)

Students are taught how to lead Biblical worship.

Foundation of Christian Relationships (0.5 credit)

This class focuses on helping students understand and accept who they are as God created them and how that applies to all relationships.

Schools of Distinction provide an innovative opportunity for CVCA students. **Designed for juniors and seniors**, the two-year curriculum exposes students to professional fields and potential majors. This program is in addition to CVCA's already rigorous college prep curriculum.

The Mission of all Schools of Distinction: "To expose our students to professional fields through..."

- Curricular enhancements (extra classes in a specific field)
- Mentoring relationships (monthly meetings with a Christian in a specific field)
- Experiential learning (internships, shadowing, competitions, guest lecturers, projects, etc.)

...providing insight into His calling in their lives."
