Cuyahoga Valley Christian Academy (CVCA), established in 1968, is a private, college-preparatory, non-denominational Christian secondary school. All enrolled students must fulfill rigorous admission requirements which include a record of high academic achievement, strong academic and character recommendations, an entrance exam, and a personal interview.

SCHOOLS OF DISTINCTION

CVCA offers five Schools of Distinction: Arts and Humanities, Business and Entrepreneurship, Engineering, Medical Professions, and Vocational Ministry. These schools expose select juniors and seniors to professional fields and potential majors. Students complete intensive courses, participate in professional mentoring, and experience hands-on learning via internships, shadowing experiences, competitions, guest lecturers, and projects.

JTERM/MTERM

With multiple and diverse offerings, Jterm/Mterm engages students in experiential learning opportunities, enriching education by challenging students in their areas of interest through educational travel, service/mission trips, enriched courses, and career experience opportunities.

All classrooms feature a Smartboard/projector combination, and all teachers employ a hybrid laptop capable of wireless video for wire-free teaching.

SERVICE OPPORTUNITIES

Projects have ranged from serving on mission trips or helping in Sunday School to assisting at therapeutic riding facilities and facilities for the physically challenged.

OUR MISSION is to educate and cultivate servants for Christ by implementing a **Christ-Centered Education**, **Valuing the whole student**, **partnering with our greater school Community** that trains and mentors, and **fostering Authentic faith in our students**.

CLASS RANKING

Because of the relatively small size and strong quality of our graduating classes, CVCA does not report class rank on student transcripts or other official documents except for the top 10% of the class. All CVCA graduates complete a college-preparatory academic foundation and perform very well in competitive colleges.
