## **STEP Norway – TRIP**

**Leader: Mr. S Kasiguran**

**Grades: 9-12**

Norway is a beautiful country! Bergen, the second largest city, sits on the western coast and is considered the gateway to the fjords. A highlight of the trip is the “Norway in a Nutshell” tour by train, bus, and boat through the mountains and fjords. The Norway Short Term Exchange Program (STEP) provides the opportunity for home-to-home exchanges between students from Cuyahoga Valley Christian Academy and the Danielsen Videregaende School in Bergen, Norway. Students from both schools learn about the customs and culture of the exchange country. Our students experience first-hand the commonality of faith we enjoy in Christ as we typically attend church and youth group services while we are in Bergen. They also develop a measure of independence as they learn how to deal with a different currency and with people whose native language is not English. Although not a strict requirement, students interested in STEP-Norway should expect to host a Norwegian student from Danielsen School for nine or ten days in the fall (Homecoming week). During the trip to Norway, the CVCA students typically stay with the family of the Danielsen student they host in the fall.

Students will be able to pray with drug addicts and homeless people, as well as put together furniture and deliver it to single moms. We would like to invite you to be a part of this new adventure during Jterm 2023.

Each day of this mini-term, we will explore a different story element (such as story structure or character development), then enjoy a Pixar film that exemplifies that story element.
