

CVCA offers many ways for families to stay informed and get connected. We hope you will take advantage of these great opportunities to follow what's happening at school and find a place where you and your student would like to get connected.

CVCA WEBSITE

The CVCA website (cvcaroyals.org) is a great place to get an overview of what CVCA is all about and has to offer.

MY CVCA PAGE

The MY CVCA page (cvcaroyals.org/my-cvca) is where current families can find most information regarding daily life and current activities at CVCA. The page includes Academic Resources, Parent Resources, Student Life Resources, and School Policies. The information on this page is updated frequently.

CALENDAR

The CVCA calendar is posted at cvcaroyals.org/events. Although we do our best to provide a complete schedule at the beginning of the school year, the calendar is subject to change as needed.

THE ROYAL WEEKLY NEWSLETTER

The Royal Weekly is published every Monday for current families to stay up to date on school news, events, meetings, and more. Past and current *Royal Weekly* posts are available at cvcaroyals.org/my-cvca.

THE TRUMPETER

Published twice each year (winter and summer), *The Trumpeter* magazine highlights our students, programs, school activities, and alumni news. Past editions of *The Trumpeter* are available at cvcaroyals.org/publications-videos.

ATHLETICS WEBSITE

The CVCA Royals website can be found at athletics.cvcaroyals.org. Team rosters, sport schedules, Athletics news, coach contact information, etc. are updated frequently. "FinalForms" (where student-athletes register to participate) is accessible through the Athletics website.
