

## Senior Painted Parking Spots – 2023-2023

To steer the success of this fun event, we've crafted some guidelines for the process. All steps must be completed by the indicated deadlines in order to participate.

### **PURCHASE, PLAN, AND PROMISE**

All of the following steps must be completed by August 4 in order to be cleared to participate on Painting Day:

- Purchase a reserved parking spot to paint. Standard parking permits are \$100. Painted parking spots will cost an additional \$20 over the standard parking permit fee. Charges will be billed to your FACTS account. All financial obligations/fines must be cleared prior to purchasing a senior parking spot.
- Submit a fully drawn proposal (including colors) of your parking space design through the form below.
- The form below also contains the promise requiring agreement in order to proceed with securing your painted parking spot.

### **DESIGN DETAILS**

As you create your design for submission, keep the following details in mind:

- Design must be done in color and must represent exactly what will be painted on your parking space.
- Art must be contained within the 8-inch border of the designated paint area of the parking spot.
- Your name is the ONLY name/initials/text allowed to be used in your design.
- Offensive language, pictures, or symbols, and negative or rude language are STRICTLY PROHIBITED.

### **PAINT PARAMETERS**

Our desire is that these paintings would be Christ-honoring and encouraging for all who see them. To fulfill the requirements, you:

- Must purchase your own paint and supplies.
- Must use a water-based latex exterior paint. (Purchase at retail stores like Sherwin Williams, Lowes, or Home Depot.)
- Must ONLY use correctly labeled paint.
- Must NOT use spray paint, glitter, or textured paint.
- Must NOT use "Striping Paint" or any other "raised" paint or roofing tar.
