

Important Ohio EdChoice Income Verification Information

SUBMITTING INCOME VERIFICATION THIS YEAR MAY REDUCE YOUR SCHOLARSHIP.

The Ohio Department of Education and Workforce (DEW) only requires Income Verification to be submitted once per family. **If you submitted income verification for any prior school year, you do NOT need to submit income verification for 2026-2027.*** You should only submit income verification if you believe your FPL is going to decrease. You can calculate your FPL using the [EdChoice Calculator](#).

CAUTION: If you submit income verification, it will permanently override your current FPL. You should NOT submit income verification unless you are confident your FPL will decrease. If you submit income verification and your FPL increases, the new FPL will permanently override your family's current FPL. **This cannot be undone!**

***The exception:** Low-income status (LIS) families who wish to requalify as LIS will need to submit income verification every year. If your family was LIS for 2025-2026, but you don't believe you'll qualify again for 2026-2027, please contact Sarah Kuznicki at skuznicki@cvcroyals.org to evaluate your situation.
